Dated: 6th July, 2024

To

The Development Commissioner
FSEZ

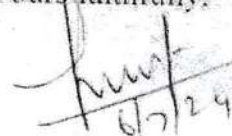

Subject: Clarification regarding conversion of existing DTA unit into 100% EOU unit - M/s Shubham Trexim Pvt. Ltd.

Sir,

I am directed to refer to FSEZ's letter dated 16.05.2024 on the subject cited above and to state that as per para 6.18(c) of FTP 2023, the BOA is the competent authority for grant of conversion into EOU unit from existing DTA unit, having an investment of Rs. 50 crores and above in plant and machinery or exporting Rs. 50 crores and above annually. However, it is nowhere mentioned in the provisions that DTA unit having an investment of less than Rs. 50 crores in plant and machinery or exporting less than Rs. 50 crores annually is not allowed for conversion into EOU.

2. It may kindly be noted that the application form for both setting up of an EOU unit and conversion of DTA into EOU unit is same i.e. ANF 6A. Further, as per para 6.38(a) of HBP 2023, a DTA unit intends to convert into EOU unit can apply to DC concerned in same manner as applicable to new units. And as per para 6.38(b) of HBP 2023, the Unit Approval Committee (UAC) is the competent authority for setting up of an EOU unit.
3. Since the procedure for applying for setting up of a new EOU unit and conversion of DTA to EOU unit is same, it appears that the approving procedure would also be same in both the cases.
4. Therefore, from the harmonious reading of above mentioned provisions, it appears that the UAC is the competent authority both for setting up of a new EOU unit and conversion from DTA unit, having an investment of less than Rs. 50 crores in plant and machinery or exporting less than Rs. 50 crores annually.
5. This issues with the approval of competent authority.

Yours faithfully,

(Sumit Kumar Sachan)

Under Secretary to the Govt. of India
